  - Safety
  - Accountability
  - Clinical Excellence

## MISSION

To become the standard of care in providing the complete complement of medical transport services to the region in a value-based and sustainable fashion, achieving the highest degree of patient safety, quality and overall satisfaction.

## CORE COMPETENCIES

We provide highly reliable EMS standby services with a cultural foundation focused on the highest levels of quality, safety and service excellence. From BLS to Critical Care, we provide clinical competence and attention to detail to safely treat the needs of any patient and accommodate the needs of government agencies.

- BLS/ILS/ALS Ambulance
- BLS/ILS Single Resource
- 24/7 Medical Direction
- Clinical Education
- Documentation and regulatory compliance
- Wildland Fire Support
- Industrial Standby Services
- Interfacility Transport
- Community Paramedicine
- Able to service Western United States

## DIFFERENTIATORS

We did not set out to simply recreate a similar service to other EMS agencies in the market. We take pride in serving our community and are committed to providing the highest levels of quality, safety and service possible, embedded in and reinforced through the foundational culture we embody.

- Leadership team has over 60 years combined healthcare experience
- Well maintained ambulances
- Up to date clinical competencies/licensure
- Professionalism
- Efficient Communicators
- Attention to detail
- Focus is on quality and safety above all else
- Ability to recruit high quality candidates
- Strong relationships

## PAST PERFORMANCE

We successfully completed three EERAs during the 2024 wildfire season (1202RZ24K5640, 1202RZ24K5424, 1202RZ24K5718). We are seeking our first I-BPA during the 2025 fire season.
